RESIDENTS' PARKING

Since September 2008, Bury MBC has implemented residents' parking around the main and side streets surrounding the Holy Cross Campus. Please ensure that you check for signs to indicate where residents' parking is in operation. Traffic Wardens regularly patrol the area and a number of students have received parking fines.

HOLY CROSS CAMPUS

Students are permitted to park on the Holy Cross car park accessed from Wellington Road after 4.15 pm only. You must provide details of your car registration if you plan to use this facility.

Car parking bays at the front of the College are reserved for tutors only. All tutors are allocated a pass, which must be displayed in their car to show that they are eligible to park. Students are not allowed to park in these bays, any students parking in these bays will be asked by Security to move their car.

WELLINGTON ROAD

Parking is permitted on the opposite side of Wellington Road to Holy Cross i.e. on the park side of the road only. There are, however, some parking restrictions in place near to the entrance to the park. ***Please check whether you are parked in a restricted area before leaving your car.***

BURY SPORTS & SOCIAL CLUB

Bury Sports and Social Club have kindly agreed to allow University Centre students to use their parking facilities **after 4.00 pm**. However students must **display a parking permit** (please go to Reception to obtain your parking permit) and must only park on the area which is located to the left behind the residential premises. **Cars that do not display a permit may be clamped**. This facility is situated just off Radcliffe Road on the right (travelling away from the College). Please note that there is limited lighting between the car park and the main road.

NCP CAR PARK

This car park is located on Belle Vue Terrace, off Manchester Road opposite the Town Hall.

Charges apply Monday – Saturday 8am – 6pm. Sunday & Bank Holidays are free. The car park is open after this time, but charges do not apply.

We will keep you informed if any alternative parking becomes available.
